

CAMP NO. 48

ON TUESDAY 19TH FEBRUARY 1991, A MINI CAMP TOOK PLACE AT :
BHAIBBUNDERKAR VASAHAT, CUFFE PARADE, COLABA, BOMBAY - 400 005.
SPONSORED & TECHNICALLY ASSISTED BY : THE FAMILY PLANNING & MEDICAL AID TRUST
Indian Merchantile Mansion, 3rd Floor, Madam Cama Road, Fort, Bombay 400 039.
AND M. P. C. C. (I) MEDICAL CELL.

The following staff members from our institution took part in this camp activity :

1. Smt. Meena Kulkarni	Co - ordinator
2. Ms. Usha Vasudeo	Lab. Assistant
3. Mr. Shaikh Waris	X-Ray Assistant
4. Ms. Sharada Kawale	Nurse
5. Mrs. Archana Tawade	Ayah
6. Mr. Tulsi Solanki	Ward Assistant
7. Mr. Arvind Borde	Driver, with Family Welfare Clinic - cum - Ambulance

The following activities were carried out :

1. Group Meeting : A group meeting was held by Smt. Meena Kulkarni. among women, about TWELVE women attended it. She advised the women regarding Family welfare activities provided regularly by our trust and also explained how to use different methods of spacing. Expecting mothers were advised to come to our trust for free ante - natal and after delivery for post - natal care and sterilisation surgery. They were advised to take all the precautions required to have a healthy and normal baby.
2. Immunisation for Triple, Polio and T.B. vaccine was carried out in THIRTEEN children.
3. Haemoglobin Test was carried out in FIFTEEN women and children.

4. Screening was carried out in FOUR suspected cases. But none was found to be positive.
5. Distribution of Free medicines : Vitamin A solution was given to children to prevent the blindness. Pregnant women and anaemic women were given Iron and Folic Acid and Vitamin A tablets.
6. TWO packets of oral tablets were distributed among women for spacing their children in their families. They were advised to get suppliment from the centre and the address cards were given to them.

Observations : About FIFTY FIVE persons took advantage of this camp activity organised by our Trust through this Mini Camp. This was our second visit to the camp site and found that people had got awareness about the unhygienic conditions and had kept their surroundings clean. Still they were not health conscious and thus were advised to take nourishing diet consisting of milk, vitamin, protein and fats to keep themselves fit. They were advised to take the help of B.M.C. health authorities if required for fumigation and other amenities available.

This is for information and record.
