### Observations :

About ONE HUNDRED AND TWO staff members took advantage of this mini camp today. They were happy to receive their blood group cards in

plastic covers which will be of immense value to them in future.

The Registrar of the Elphinstone College Mr. Kuri requested our staff to come in the month of July and organise a similar camp once again so that all the students can take full advantage of this 'Know Your Blood Group ' Project. Names of college students will be included in Blood Group Directory in the edition 1991.

Yours sincerely,
