### INTRODUCTION :

The inaugural speech was given by **Dr. K.N. Acharya (S.E.M.)** and Chairman Medical Cell B.R.C.C., he stated the importance of small family norm. **Dr. Homi J.H. Taleyarkhan** Ex. Health Minister then gave a long speech about the statistical data in order to control the explosion of population. He compared the people of China with that of India and explained the ways and means to control the entire population of India. At the end of the function **Mr. D.P. Gawai P.R.O.** concluded the whole camp by stating various activities performed by "Family Planning & Medical Aid Trust" including Sterilisations. He further explained that not only we perform sterilisation operations but also organise multi diagnostic camps in slums of Mumbai and Rural areas of Thane, Nasik and Raigad districts through Audio-Visual media. We do convince them for Immunisation to reduce the mortality rate among the infants and children. He then stressed on the subject of Nutritional Supplement for better

health during ante-natal and post-natal periods, he also talked about alarming diseases like AIDS which is spreading among youngsters. This can be protected by very simple method by using condoms, use of disposable needles and care to be taken during blood transfusion.

### OBSERVATION :

The programme was appreciated by one and all who attended this camp. **Dr. Homi J.H. Taleyarkhan** Ex. Health Minister inaugurated our Family Welfare Clinic-cum-Ambulance. **Mr. Javahar M. Zaveri** voluntarily came to our camp for vasectomy operation and other **SIX** ladies also registered for laproscopic tubectomy operations.

At the end of this camp all the members dispersed at about 1.30 p.m. with hope that they will get more success during their next camp.

This is for information & record.
