vaccine in well protected Ice-Jars supplied by the **B.M.C. & Trust Depts.** to keep the Polio vaccine at required temperature.

The first Pulse Polio eradication programme was started on 9th December, 1995 and 20th January, 1996, it was for only children below 3 years of age. The second Pulse Polio programme was fixed on 7th December, 96 and 18th January, 97 but this time the children were taken up below 5 years. They were told that the extra dose to be given to every child inspite of their regular dose.

OBSERVATION :

The previous night the Pulse Polio cassetts were shown on Video Screen at 'Geeta Nagar'. The sites for Centres for Pulse Polio Programme were provided by '**Workers of Rotary Club**', **Dr. Arun Ghatte Medical and Health Officer 'A' Ward, 'Shivsena Workers'** and **Fourth Centre was well conducted**

by The Chairman, The Family Planning & Medical Aid Trust' Dr. H.V. Pophale and also B.M.C. Staff. The local social workers were very helpful to us by bringing the children in large number to our Centre. **Dr. H.V. Pophale** Chairman 'The Family Planning & Medical Aid Trust' visited all the Centres and after supervision gave the detailed information and knowledge about Pulse Polio Immunisation under extended programme and its importance.

This is for information and record.
